

CLASS OF 1960

A Sophomore is the lowest form of life at Pensacola High School. This creature is usually found wandering around in the corridors, dumbfounded, with a silly look on its face. At least that's what the seniors and juniors say about us sophomores'!

Even though at first we 1200 of the class of '60 were lost and bewildered, we eventually became accustomed

to the miles of halls, many school functions, and jeers from the upperclassmen that are typical of PHS.

We look forward to higher positions as juniors, but we shall always remember our sophomore year. Our Officers, Cookie Taylor, President; Judy Yarbrough, Vice President; Peggy Patterson, Secretary; and Carol Pace, Treasurer make plans for next year.
